

GLOWING SKIES NIGHT

GLOWING SKIES

31.12.2026

THE PROGRAMME

WHEN THE SKY LIGHTS UP, A NIGHT TO REMEMBER BEGINS.

Sparkling lights, Champagne and refined flavours accompany us into the New Year. Surrounded by candlelight, music and the magic of the mountains after dark, we come together for a very special evening – raising our glasses beneath the stars as a new year begins.

7.30 pm	Meet at the Plan de Gralba car park by the Piz Sella gondola. We welcome you with a glass of Ca' del Bosco Franciacorta and a cup of aromatic tea to warm up.
7.45 pm	A special night ride on the Piz Sella gondola, followed by a journey by snowmobile, on skis or by sledge along the illuminated slope beneath the Sassolungo. At the top, an aperitif awaits around the fire beneath the stars, with Pol Roger Champagne from a 9-litre Salmanazar.
8.15 pm	By candlelight, we serve a seven-course fish menu accompanied by selected wines in Magnum bottles. Live music, dancing and a unique atmosphere carry the evening through to midnight.
Midnight	We welcome the New Year with Pol Roger Champagne from a 12-litre Balthazar. The celebrations continue with music and entertainment until 2.00 am.
02.00 am	Return to Plan de Gralba by snowmobile, on skis or by sledge, accompanied by the Rifugio Comici team. We will be happy to arrange a taxi for you on request.
PRICE	€600.00 per person, including drinks. The price includes the gondola ride, snowmobile transfer, aperitif and dinner. Children aged 4 to 12 receive a 50% discount; children under 4 are free of charge.
