

# COCKTAIL AVALANCHE NIGHT

RIFUGIO  
EMILIO COMICI

COCKTAIL AVALANCHE

12.02.2027

## THE PROGRAMME

**TROPICAL NIGHTS CAN BEGIN  
IN THE MIDDLE OF THE SNOW, TOO.**

**Palm trees, cocktails, music and a touch of Hawaii bring the carefree spirit of summer to the Dolomites. Colour, exotic flavours and infectious rhythms set the pace for the evening. A night somewhere between an Alpine winter setting and tropical vibes – unexpected, lively and wonderfully light-hearted.**

**7.30 pm**

Meet at the Plan de Gralba car park by the Piz Sella gondola. We begin with a warming cup of tea.

**7.45 pm**

A special night ride on the Piz Sella gondola. From there, we continue along the illuminated slope beneath the Sassolungo to Rifugio Comici – by snowcat, on your own skis or by sledge. The evening begins around the open fire beneath the stars with Prosecco, grilled prawns and calamari fritti.

**8.15 pm**

In the glow of 1,000 flickering candles and accompanied by live music, we serve an exquisite fish menu.

**AFTER DINNER**

Cocktails, music and party time until 1.00 am.

**AFTERWARDS**

Return to Plan de Gralba by snowcat, on your own skis or by sledge, accompanied by our team. We will be happy to arrange a taxi for your journey home on request.
