MISSION DOLOMITES

19.02.2027

THE PROGRAMME

ONE NIGHT. ONE MISSION. AND NO ONE QUITE KNOWS WHAT COMES NEXT.

Style, suspense and a hint of mystery accompany the evening. Glances meet, every detail suddenly seems significant, and there is a sense that a surprise may be waiting around every corner. What happens remains strictly confidential – apart, perhaps, from the memory of one extraordinary night.

7.30 pm

Meet at the Plan de Gralba car park by the Piz Sella gondola. The mission begins at a relaxed pace over a warming cup of tea.

7.45 pm

A special night ride on the Piz Sella gondola. From there, we continue along the illuminated slope beneath the Sassolungo to Rifugio Comici – by snowcat, on your own skis or by sledge. An aperitif awaits around the open fire beneath the stars, with Prosecco, grilled prawns and calamari fritti.

8.15 pm

In the glow of 1,000 flickering candles, we serve an exquisite fish menu accompanied by live music.

AFTER DINNER

The mission continues: party time until 1.00 am.

AFTERWARDS

Return to Plan de Gralba by snowcat, on your own skis or by sledge, accompanied by our team. We will be happy to arrange a taxi for your journey home on request.

PRICE

€200.00 per person, excluding drinks. The price includes the gondola ride and transport by snowcat. Children aged 4 to 12 receive a 50% discount; children under 4 are free of charge.

DRESS CODE
