

SWEET SPARKLES NIGHT

SWEET SPARKLES

15.01.2027

THE PROGRAMME

AN EVENING FILLED WITH BUBBLES, ENTICING AROMAS AND AN IRRESISTIBLE TOUCH OF SWEETNESS.

Excellent wines meet the exquisite panettone of Italo Vezzoli. Elegant bubbles, delicate sweetness and refined flavours come together for a night devoted entirely to pleasure – from the first glass to the very last bite.

7.30 pm

Meet at the Plan de Gralba car park by the Piz Sella gondola. We ease into the evening together over a warming cup of tea.

7.45 pm

A special night ride on the Piz Sella gondola. From there, we continue along the illuminated slope beneath the Sassolungo to Rifugio Comici – by snowcat, on your own skis or by sledge. Beneath the stars, an aperitif awaits around the open fire with bollicine, grilled prawns and calamari fritti.

8.15 pm

Surrounded by the glow of 1,000 flickering candles, we serve an exquisite fish menu accompanied by live music.

AFTER DINNER

Party time until 1.00 am.

AFTERWARDS

Return to Plan de Gralba by snowcat, on your own skis or by sledge, accompanied by our team. We will be happy to arrange a taxi for your journey home on request.
